Horse Crazy Safely

Sunday, October 21, 2018 - 1 pm
Sunday, October 28, 2018 - 1 pm
Sunday, November 4, 2018 – 1 pm
Sunday, November 11, 2018 – 1 pm

We are offering a four-week introductory program for horse enthusiasts. "Horse Crazy Safely" is 1 hr class once a week for four weeks. Our goal is to teach new and interested horse crazy people, the nature of the horse and how to be safe around them on the ground.

Weekly Objectives

- 1- Introduction to the farm and the horses. Learn the nature of the horse and the basic safety rules of being around horses on the ground.
- 2- Review of safety rules, learn how to groom a horse.
- 3- Review weeks one and two, learn how to halter a horse and practice leading and tying,
- 4- Week 4 will be a review of the previous three weeks. Students will get to practice all the skills they learned thus far and then we will do a fun skills test.

Throughout the 4 weeks, we will be building a horse crazy safety binder that participants will get to keep as a reference.

Week 4 after we award the completion certificates, we will have light refreshments and all present will be entered in a drawing to win a free 1-hour riding lesson.

All participants will also be eligible for a \$25 discount on a winter session riding package.
